

SUPERTRAM LINK

YOUR ROUTE INTO THE CITY & BEYOND

By bus, by tram, buy just one ticket - it's as easy as that with your SupertramLink service.

Running every 10 minutes, Monday to Saturday*, the SupertramLink service connects Stocksbridge, Deepcar, Wharncliffe Side and Oughtibridge to Middlewood, giving you a direct link to the Supertram into the city centre and many more places beyond.

SupertramLink buses are neat, clean and tidy. All are low-floor, easy-access and have regular, friendly drivers to welcome you on board.

When you travel on SupertramLink, you pay just £3.00 for a dayrider or £12.00 for a 7 day megarider. Both tickets give unlimited travel on any Stagecoach tram or bus in Sheffield, or check out our single/short hop fares across the page, because as well as connecting easily with the Supertram at Middlewood, the SupertramLink provides a regular local service, making it the perfect option for short hops between Stocksbridge and Oughtibridge too.

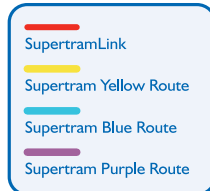

Now stopping at Middlewood Road/Winn Gardens to serve the Fairlawns Medical Centre. We've also made some minor adjustments to the timetable. The last bus on a Saturday has been extended to Middlewood.

We're keen to welcome new customers on board, so you'll find a route map/price guide and timetable information in this leaflet. Everything you need to get started!

We look forward to seeing you soon!

* Sorry no SupertramLink service on Sundays but you can use Stagecoach service X57/58 as an alternative.
